Mission

Vision:
 TPHS strives to exceed the changing expectations for effective, innovative, student centered, flexible and life-long educational opportunities for youth populations wishing to serve others.

Mission:
 TPHS creates and continuously improves effective learning environments for lifelong educational needs and aspirations of a diverse and dedicated youth population wishing to serve others as teachers.

School / Academic Goals

- ü Students will achieve an average of 40% growth in Reading, English and Mathematics. This will be assessed through in-house assessments (StandardMaster) and year to year growth in standardized tests.
- ü Students will demonstrate authentic proficiency, at 70% or better, in the Az Academic state standards in Reading, English, Algebra or Geometry, Social Studies, Science, Keyboarding, Journalism, Music, and PE.
- ü Students in the 11th and 12th grades will be prompted to attend at least one college course during each semester. Students must achieve a 'C' or better in each course. This will help students understand the complexities of college.
- ü Students will achieve 6 credit hours per year in strenuous subjects that meet all state requirements and Board of Regents requirements.

Shared Responsibilities

School

Teacher Prep High School had the responsibility of implementing high academic standards based upon the Arizona State Standards, setting goals and expectations for students to prepare for college, distribute handbooks/policies/other materials, and home/school communication. We also prepare students who are interested in becoming teachers in the area of education leadership and preparation to enter into the teacher preparation programs at the community colleges and university.

Parents

Parents have the responsibility of ensuring student attendance, providing proper clothing and nourishment, homework support, supporting school policies on dress codes and behavior codes, attending parental nights, communicating with school personnel. Furthermore, we ask that parents attend workshop nights directed by the colleges and university in order to help their child prepare for these institutions.

Transportation Policy

TPHS will provide free monthly bus cards for students who qualify under federal guidelines and who live outside of one and a half miles from the school. Students are responsible for their own transportation to and from the college setting.

Recent Trends in Student Proficiency on the State Standards (AIMS Test)

10th Grade Proficiency

The graph includes the percentage of students that met or exceeded the standards. NC = Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC.

The table below shows the schools that met or did not meet based on federal AYP requirements. To meet AYP for the year, all applicable goals must be met.

Glossary:

Adequate Yearly Progress

A measure of school performance as mandated by the federal government in the No Child Left Behind. AYP holds schools accountable for the performance of subgroups, as well as all students. AYP measures school toward the goal of having 100 percent of all students proficient in state standards for reading and math by 2013-14.

Met Percent Tested:

The school or district tested at least ninety-five percent (95%) of its students enrolled at the time of the test administration. Schools and districts must test at least 95 percent of their student in order to make AYP.

Met Test Objectives:

The percentage of students in the school or district that demonstrate proficiency in state standards by passing the AIMS test meets or exceeds the goal for that year. No Child Left Behind requires that Arizona set goals, called Annual Measurable Objectives, for the percentage of students passing AIMS for all public schools and districts in the state. The goals increase over time toward 100 percent passing by 2014. To meet the test objectives, every subgroup in the school must meet the Annual Measurable Objective.

Met Attendance Rate:

The school or district had an attendance rate of at least 90 percent over the first 100 days of the academic year. Schools and districts not serving high school students must have an attendance rate of 90 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

Met Graduation Rate:

The school or district had a four-year graduation rate of 71 percent or greater. School or districts granting a high school diploma must have a graduation rate of 71 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

Achievement Test Results

| | Mathematics | -- | -- | -- | 60 | 95 | 60 | 60 | 63 | 88 | 32 | 32 | 50 |

Starting in Spring 2004-05, students were tested using AIMS DPA and TerraNova. AIMS DPA is a statewide assessment that is both standards-based, measuring student's knowledge against the Arizona Academic Standards, and norm-referenced, comparing student knowledge against students nationwide. TerraNova was administered to all students in grades 2 and 9. It is important to note the TerraNova/AIMS DPA and Stanford 9 test results are not comparable. For more information on the TerraNova and AIMS DPA, see our website at www.ade.az.gov/standards/

The Stanford 9 is a standardized, norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested in Reading, Mathematics and Language. The percentage (%) of eligible students tested and the school's percentile ranks are listed above. State average percentile ranks for Arizona and District are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with NC (not calculated) to protect student privacy. Some columns contain dashes (-) to indicate "no data available."

Indicators of Success Based on Historical Data from 2004-05

School Achievements/Accomplishments 2004-05

- ü ASU Presidential Medal for Social Embeddedness was given to Teacher Prep High School for our commitment to early entry into college through the Hispanic Border Leadership Institute.
- ü We have been opened for two graduating years. We have graduated a total of 12 students. Of those, 8 are enrolled in college classes. All the graduates have passed the AIMS Reading and Writing test.
- ü Half of our upper classmen passed the AIMS Reading and Writing test. We are stressing mathematics for all students this year in order to reach a 70% passing rate by Spring of 2006.
- ü We were able to implement some wonderful electives that the students just loved and excelled in this year. It truly helped improve their creativity and thinking skills.

School Safety

School-level Efforts to Ensure a Safe and Healthy Learning Environment

We provide a small, family-like environment for our students. Students are involved in the governance of school, including a student court and student council. Students and parents are interviewed before admission. Furthermore, we stress leadership development, service to the community, and academic excellence. Students were able to attend two retreats in order to build up relationships with each other, explore their goals, and continue to develop their leadership skills.

Total number of incidents that occurred on the school grounds for school year 2004-05 that required the intervention of local, state or federal law enforcement (A.R.S.15-746.6) :

The Arizona Attorney General's Office has a hotline that allows students to report suspicious activities at schools and to get help with potentially violent situations, such as bullying, harassment, hate crimes, discrimination and gangs. The toll-free number, 1-877-900-1086, is anonymous and available 24 hours a day.

The Arizona Department of Education does not audit the information submitted by each school.

The Arizona School Report Card was prepared by the Arizona Department of Education using a standardized format to combine information provided by the local school with data compiled from state records. Each school has special strengths and needs, and all schools benefit from the active involvement of parents in their children's education. If you have questions about the report card or need more information, contact the school office. Arizona School Report Cards can be found for all schools at www.ade.az.gov/srcs on the Internet. "The Arizona Department of Education of the State of Arizona does not discriminate on the basis of race, religion, color, national origin, sex, disability or age in its programs, activities or in its hiring and employment practices. If you have questions or grievances related to this policy, please contact the Administrative Services DAS at (602) 542-3186."

Arizona's Achievement Profiles capture the performance level of every school.

DEFINITIONS:

Failing to Meet the Academic Standards - needs to meet state performance and state progress goals.

School performance has been designated as Underperforming for three consecutive years and a site review determined that the designation of Failing to Meet the Academic Standards was warranted.

Underperforming - needs to meet state performance and state progress goals.

Performing - meets state performance goals.

Performing Plus - above state performance goals, however the number of students exceeding the standard on the AIMS test is not sufficient to earn a highly performing or excelling label.

Highly Performing - above state performance goals or has demonstrated adequate improvement, in addition a significant number of students have exceeded the standard on the AIMS test.

Excelling - significantly above state performance goals, in addition a significant number of students have exceeded the standard on the AIMS test.

TITLE I TERMS

Title I School Improvement Year 1

A Title I school that has not made adequate yearly progress (AYP) for two consecutive years. 4 Attendance Rate: Percentage of students attending the first 100 days of the academic year.

5 Transfers Out: the rate at which students transfer out of a particular school relative to the school's original enrollment for a given school year.

6 Transfers In: the rate at which students transfer into a particular school relative to the school's original enrollment for a given school year.

7 Stability (s): the rate at which students starting the year at a particular school remain enrolled in that particular school until the end of a given school year.

8 Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2004-05 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

9 Retention Rate: Percentage of students retained at the end of the 2004-05 school year.

10 Dropout Rate: Percentage of students counted as withdrawn due to chronic illness, expulsion or dropping out during the 2004-05 school year, to include activity during the summer of 2004. This rate includes students who were withdrawn after 10 consecutive days of unexcused absences or were coded by the school as "status unknown." The Promotion Rate, Retention Rate and Dropout Rate may not add to 100% due to the inclusion of summer activity in the Dropout Rate but not in the Promotion Rate and Retention Rate. For more information on the dropout rate study see our website at <http://www.ade.az.gov/researchpolicy/DropoutInfo/>

11 Annual Status Unknown: Percentage of students unaccounted for by any method during the 2004-05 school year. Annual status unknown students are not necessarily dropouts. For more information on status unknown, see our dropout rate study website at <http://www.ade.az.gov/researchpolicy/DropoutInfo/>

12 Graduation Rate: The graduation rate presented here is a 5 year cohort rate for the class of 2004. For more information on the Graduation Rate Study published by the ADE, please see our website at www.ade.az.gov/researchpolicy/grad.
